

LHR

LUXURY
HOME RENOVATION

Company Introduction

The company mainly deals with the renovation and restoration of prestigious properties with particular attention to detail.

Over the years the company has been involved in the renovation of country house and villas in the Italian and French countryside and of historic buildings in European cities of art.

LHR
LUXURY
HOME RENOVATION

Services Offered

LHR takes care of the contract globally by interfacing as General Contractor, both of the purely structural and restoration part, and of all those works which are complementary to the success of the project both from an electrical and hydraulic point of view through highly qualified craftsmen.

The strength points is really in the coordination of the workers, leaving the customer with a single interlocutor who takes care of the whole project.

The Company Group

LHR is a mark of excellence that belongs to the Italian company FS COSTRUZIONI s.r.l., an Italian construction company that mainly deals with new buildings and residential complexes that operates actively in northern Italy.
